USES

• Use the correct glass for each type of drink to ensure that the consistency, appearance and taste are at their best.

• Always wash new glasses before use.

• Use non-abrasive cleaner.

• Rise the glass as soon as possible after use.

• Pre-heat glasses for hot drinks by running them under the hot tap to prevent thermal shock.

• Always hold the glass by the base, not by the rim.

• For extra shine steam over hot water and polish.

MISUSES

• Do not handle glasses with glass to glass contact (in clusters).

• Do not stack glasses that are not designed to stack.

• Do not put cutlery in glasses.

• Never twist the base and the bowl in opposite directions when drying.

• If cracks and chips are found in the glass, they should be discarded immediately and never put in dishwasher.

• Do not place hot drinks glass on a cold metal surface.
