Fresco

Illustrated Heritage

Drawing on centuries of ceramic and printmaking history, Inked Fresco features a stylised fish design, a motif used on 18th century ceramics to symbolise prosperity, abundance and good fortune. Evocative of coastal regions that have a strong fishing heritage, Fresco is ideal for Mediterranean, Japanese and Scandinavian cuisines.

Available in mix and match patterns across a variety of once-fired, organic shapes, Fresco is a versatile range to combine with other Inked designs.

EMERGE[®]

Artisan Look, Engineered Performance

Emerge is a collection of stylish tableware decorated in artisan style glazes, a blend of tradition and innovation. The appearance of studio pottery is created through glaze finishes and an exposed biscuit base.

Launching in Spring 2026 is Emerge Vitrified Stoneware, finished in rustic speckled glazes that pair with our iconic Stonecast collection. The soft white and green speckled glazes contrast beautifully against the earthy exposed base, making the design ideal for seasonal ingredients.
