WHAT'S NEW

Autumn 2026 brings rustic Mediterranean charm to the tabletop, with over 200 new additions to the extensive Churchill portfolio. New launches include the once-fired designs Inked Shoal and Grove, alongside Amalfi and Nevada, two new printed designs in the iconic Stonecast collection.

This season also introduces Tor, a contemporary new shape that brings a fresh dimension to selected Stonecast colours.

Further additions include new shapes and colourways across the vibrant Stonecast Plume, Inked Lyra and Tide collections, as well as innovative buffet solutions in melamine and cast iron.

Churchill has also launched its partnership with Humble, bringing atmosphere to the table with stylish table lamps.

Fresco Grove

Illustrated Heritage

Drawing on centuries of ceramic and printmaking history, Fresco Grove features a stylised olive branch motif, long associated with peace and enduring prosperity in classical design. Inspired by the sun-dappled olive groves of the Mediterranean, this design reflects a deep-rooted connection to land, craft and tradition. Evocative of regions rich in agricultural heritage, Grove is ideally suited to Mediterranean, Middle Eastern and contemporary seasonal cuisines.

Available in mix and match patterns across a variety of once-fired, organic shapes, Fresco Grove is a versatile range to combine with other Inked designs.

Fresco Shoal

Illustrated Heritage

Reflecting the artistry of hand-rendered prints, Fresco Shoal explores repetition as a form of visual storytelling. Layered linear marks create a rhythmic motif reminiscent of coastal patterns, set against a softly textured background. Subtle variation and reactive texture enhance its tactile quality, creating a design that feels both historical and contemporary.

Stonecast® Prints Amalfi

Weathered Charm

Stonecast Prints Amalfi draws its character from the sun-washed coastlines of southern Italy, where centuries of craft meet the rhythm of the sea. Inspired by ancient Roman stonework and the enduring beauty of hand-laid mosaics, its softly fractured pattern echoes the weathered courtyards and rustic coastal villas of the Med.

Stonecast® Prints Nevada

Warmth & Character

Inspired by the original Stonecast pattern of the 1970s, Nevada reflects an era shaped by the earthy beauty of the American Southwest. As design turned away from the bright colours and synthetic materials of the 1960s, desert tones, natural textures and handcrafted finishes came to define a more relaxed, bohemian aesthetic. Stonecast Prints Nevada captures this spirit with a radiant texture and gentle speckle, evoking sun-baked landscapes and artisan ceramics.

ENVISAGE® COLLECTION

Future. Envisaged

Envisage is an exploration of shape design, achieved through pioneering manufacturing processes developed as part of Churchill's ethos to build a better future. A once-fired collection of shapes where we have eliminated the need for a second firing to minimise energy usage, without compromising on quality and durability.

New once-fired pieces for Autumn include the new Inked Fresco Shoal and Grove designs, plus core sizes in Fresco Pisces, Erosion and Natural White. The new 28cm plates are ideal for main courses, while the 14cm is the perfect size for sides and bread rolls.
