

CHURCHILL

humble

humble

Creating unforgettable moments

Churchill is proud to partner with Humble, the premium portable lighting brand, to elevate the dining atmosphere alongside our tableware collections. United by a shared commitment to exceptional design, lasting quality and durability, Churchill and Humble help hospitality professionals create memorable dining experiences.

At Humble, every lamp is designed to do more than provide light, it helps shape the atmosphere. Combining timeless design with enduring quality and effortless usability, Humble's lighting enhances every setting while blending seamlessly into its surroundings, allowing every moment to take centre stage.

Lighting, Thoughtfully Designed for Hospitality

Designed around the needs of hospitality, Humble lamps combine timeless style with intuitive functionality. Long-lasting battery life, wireless charging, remote control and smart features make it effortless to create the perfect ambience.

Refined Design

A considered silhouette, crafted in anodised aluminium and shade options in durable polycarbonate for lasting use.

Adjustable Brightness

Create different moods with 4 brightness modes.

Built to Last

Made to stay in service for years with replaceable parts.

Centralised Controls

Remote controlled with lockable settings.

Wireless Snap Charging

Effortless charging with secure, magnetic alignment.

IP65 Water Resistant

Suitable for use outdoors.

Cordless Design

Clean, wireless presentation on the table.

Long Battery Life

Up to 140 hours of battery life.

Weighted Base

For enhanced stability.

Subtle LED Charge Indication

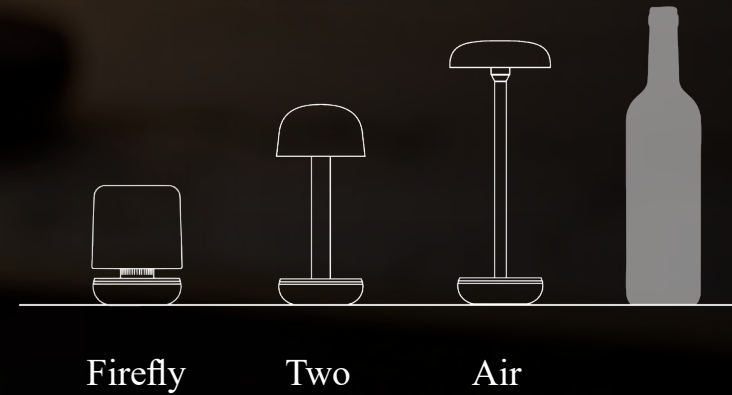

Charge indication lights disappear into the design after 10 seconds for a more attractive piece.

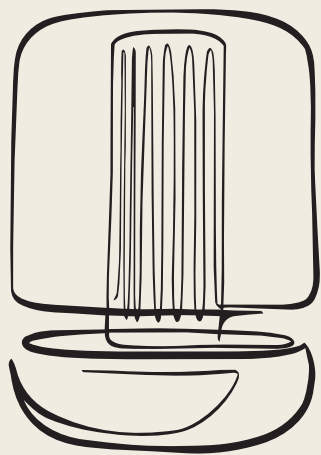

Remote Control

- On/Off feature.
- Battery check feature.
Lamps below 30% battery flash for 10 seconds.
- Zone control.
- Set up to 3 separate zones in your establishment.
- Lock / Unlock lamps.
- Recharge wirelessly.
- Adjust brightness level.

A Subtle Presence

Designed to complement the table not dominate it.

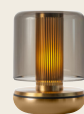

Firefly | W: 8.6cm H: 11.8cm

Firefly

Quiet Ambience

Inspired by the glow of fireflies at dusk, this wireless table lamp brings a sense of quiet elegance to any setting.

Designed to cast a soft, ambient light, Firefly lamps create an intimate atmosphere even in busy restaurant settings. The durable design is cordless and water resistant, with a long lasting battery, the lamp blends practicality with charm, adding a subtle ambience to both indoor and outdoor spaces.

Two | W: 8.8cm H: 21.2cm

Two

Effortlessly Elegant

A stylish and subtle cordless table lamp designed to elevate the dining experience. Compact and effortlessly portable, Humble Two is made to move seamlessly from table to table, indoors or out. Its softly diffused glow creates a warm and inviting atmosphere, bringing comfort and connection to shared meals.

With a refined silhouette and durable, cordless design, Humble Two balances practicality with understated elegance, offering soft light without distracting from the moment.
